I volume, 12mo Price \$1.

We have selected for the Fourth and Fifth volumes of our Library of Standard Tales Cousin William and derivase Skinner. Among the modern electrones of domestic and fashionable English life, no one has been more successful than Theodore Hook, and the general voice of the critics gives the preien me, among his numerous productions, to these very spirited and entertaining novels. They exhibit all the varieties of his style and were written at a perice of life when his experience was mature, and helore has powers were impaired. They are from the third series of Sayings and Doings, or Shetches from Life, where they were privated which the metto from Shakespeare on the till page, "Full of wise saws and modern instances."

The volume previously published of the Library of Standard Tales are

been so deserving of the patronage of the reading community.

SMITH'S DICTIONARY OF GEOGRAPHY.

A DICTIONARY OF GREEK AND ROMAN GEOGRAPHY, and the policy of GREEK AND ROMAN GEOGRAPHY, hended as Companion Work to the "Dictionaries of Greek and Roman Antiquities" and of "Greek and Roman Mythology" By Dr. William MYTH. Illiastrated by numerous Enganyings on wood. 2 vois., \$70., cistin. \$10. he? calf, \$11.

"The Dictionary of Greek and Roman Geography" forms a compasion velume to "The Dictionary of Antiquities" and "The Dictionary of Greek and Roman Geography. It is, in reality, a Dictionary of Greek and Roman Geography, not even excluding Beriptural names. The matries for such a work are very extensive, sind have been for many years accumulating. It has been the aim of the Editor to present, in a form adapted to the use of students, the researches of modern scholars and the discoveries of modern travelers, in this important branch of elastical antiquity. The work is of course, not confined to a barren description of the geography of countries and of the sites of places; but it also includes an account of the political history both of countries and cities.

"The NEW AMERICAN CYCLOP EDIA.
